**Re: WC Docket No. 10-90, WC Docket No. 11-42
2014 ETC Annual Report of Chester Telephone Company, Inc.
Study Area Code 240516**

Dear Ms. Dortch:

On behalf of Chester Telephone Company, Inc. (“Chester”), JSI files the attached confidential and redacted versions of the FCC Form 481 ETC annual reporting information pursuant to sections 54.313 and 54.422 of the Commission’s rules.¹ Chester seeks confidential treatment under Protective Order for section 54.313(f)(2) financial information.² The redacted version is also being filed this date via the FCC’s Electronic Comment Filing System. In addition, attached is a letter requesting confidential treatment under Sections 0.457 and 0.459 of the initial section 54.202(a) Five-Year Service Quality Improvement Plan.³

Please direct any questions regarding the filing to the undersigned.

Sincerely,

John Kuykendall

**Re: WC Docket No. 10-90, WC Docket No. 11-42
2014 ETC Annual Report of Chester Telephone Company, Inc.
Study Area Code 240516
Request for Confidentiality**

Dear Ms. Dortch:

John Staurulakis, Inc. (“JSI”), on behalf of its client Chester Telephone Company, Inc. (the “Company”) hereby requests, pursuant to Sections 0.457 and 0.459 of the Commission’s rules,¹ withholding from public inspection certain information contained in an attachment to the above referenced reporting requirement. The Company provides the following in support of its request, numbered consistent with the subparagraphs of Section 0.459(b).²

1. The information for which the Company is seeking confidential treatment is an attachment to the Company’s annual reporting information pursuant to Sections 54.313 and 54.422 of the Commission’s rules (“Report”).³
2. Rate-of-Return Eligible Telecommunications Carriers (“ETCs”) must file with the Commission an initial section 54.202(a) Five-Year Service Quality Improvement Plan (“Five-Year Plan”) which is contained in the attachment to the 2014 Report.⁴
3. The information contained in attachment for which the Company seeks the withholding from public inspection is the entirety of data pertaining to the Company’s Five-Year Plan provided at FCC Form 481 Line 112 attachment. Information of this nature is confidential commercial information routinely withheld from public inspection.

¹ 47 C.F.R. §§ 0.457, 0.459.

² 47 C.F.R. § 0.459(b)(1) through (9).

³ 47 C.F.R. §§ 54.313, 54.422.

⁴ See *In the Matter of Connect America Fund*, WC Docket No. 10-90, Order DA 14-591 (rel. May 1, 2014).

4. With respect to identifying the degree to which the subject attachment concerns a service that is subject to competition, the information is of a financial and competitive nature regarding the provision of telecommunications services. The Line 112 attachment contains competitively sensitive information related to proposed improvements or upgrades and maintenance the Company's network.

In its *March 5, 2013 Order*, the FCC. The FCC specified that for rate-of-return carriers, the five-year plans "should describe the carrier's network improvement plan, which should provide greater visibility into current plans to extend broadband service to unserved locations in rate-of-return service territories."⁵ Accordingly, because the Company is a rate-of-return carrier, it must file a five-year service improvement plan which contains proprietary, competitively sensitive information related to the Company's existing network including the specific locations of customers as well as describe proposed improvements or upgrades and maintenance of its network throughout its service area. Specifically, this information sets forth services provided by the Company over its existing network including specific locations of customers as well as planned network improvement and maintenance for the years 2015 through 2019 including project start and completion dates, population that will be impacted by the improvements and upgrades at the wire center level and projected capital costs associated with the improvements and upgrades and operating costs associated with maintaining the network including depreciation for investments that have already been made. As such, this information contains competitively sensitive information related to the Company's existing network as well as detailed plans at the wire center level for network upgrades and maintenance projected for the years 2015 through 2019.

5. With respect to identifying possible exposure to competitive harm, the information contained in the Line 112 attachment is information that is not customarily released to the public. This information is proprietary to the Company, is unique to the Company's serving territory and is only known to the Company and its authorized agents. If the Information is not protected, it would have economic value to potential competitors who would be able to target their marketing to specific customers. In a competitive telecommunications marketplace, this type of information is highly sensitive. If publicly disclosed, it would enable competitors to craft business plans that capitalize on their knowledge of the locations of the Company's customers which would place the Company at a competitive disadvantage.
6. With respect to steps the Company has taken to ensure against unauthorized disclosure of the information contained in the attachment, the Company is filing the attachment under seal. The Company uses the information contained in the Five-Year Plan to ensure that its customers continue to receive state-of-the-art high quality telecommunications and broadband services that the Company has

⁵ See *Connect America Fund et al.*, WC Docket 10-90 *et al.*, Order, DA 13-332 (rel. Mar. 5, 2013) ("*March 5, 2013 Order*") at para 9 citing Section 54.202(a) (1) (ii).

been providing to them for many years as well as to satisfy mandatory reporting requirements and does not share the information for which protection is sought. The Company protects the secrecy of this information with a security protocol that ensures the information is not inadvertently disclosed or disseminated. Only directors, managers and employees with a direct need to know are authorized to access the information.

7. Any previous versions of this information are not publicly available.
8. Because the information is not routinely available, a need exists for maintaining the confidentiality of this information permanently.
9. Not applicable.

Based on the preceding, JSI respectfully requests on behalf of the Company that the Commission grant confidential treatment under Section 0.459 to Company's Five-Year Plan provided at FCC Form 481 Line 112 attachment.

Please contact the undersigned with any questions regarding this request.

Sincerely,

A handwritten signature in black ink, appearing to read "John Kuykendall". The signature is fluid and cursive, with the first name "John" and last name "Kuykendall" clearly distinguishable.

Chester Telephone Company, Inc.
Demonstration of Complying with Applicable Service Quality Standards and
Consumer Protection Rules for Voice and Broadband

In establishing this certification in its *2005 ETC Order*,¹ the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”² The FCC found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement and that the sufficiency of other commitments would be considered on a case-by-case basis.³ In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”⁴

Chester Telephone Company, Inc. (“Chester”) hereby certifies that it is in compliance with applicable service quality standards and consumer protection rules. Chester is subject to consumer protection obligations under both federal and South Carolina state law. These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of the Public Service Commission of South Carolina which disclose rates, and terms and conditions of service to customers (Section 103-612.2.1 of the South Carolina Code of Regulations); (2) adherence to state consumer protection requirements governing telephone providers which govern Standards and Quality of Service (Sections 103-661, 103-662, and 103-663 of the South Carolina Code of Regulations); Customer Relations, including billing, deposits,

¹ *Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) (“*2005 ETC Order*”).

² *Id.* at para. 28.

³ *Id.* The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: “(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy.” *Id.* at n. 71.

⁴ *Id.* at n. 72.

discontinuance and termination of service (Sections 103-620 through 103-633 of the South Carolina Code of Regulations); Engineering and Safety Standards (Sections 103-640 through 103-646 and 103-670 through 103-672 of the South Carolina Code of Regulations); Inspections and Tests (Sections 103-650 through 103-653 of the South Carolina Code of Regulations); Records and Reports (Sections 103-610 through 103-619 of the South Carolina Code of Regulations) and Customer Complaints (Section 103-628 of the South Carolina Code of Regulations); (3) truth-in-billing requirements (Section 103-622.1 of the South Carolina Code of Regulations); and (4) CPNI, Red Flag Rules and other applicable federal and state requirements governing the protection of customers' privacy.

Company is subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3.

Chester Telephone Company
Demonstration of Ability to Function in Emergency Situations for Voice and
Broadband

Chester Telephone Company, Inc. (“Chester”) hereby certifies that it is able to function in emergency situations as set forth in 47 C.F.R. § 54.202(a)(2)¹ and Section 103-646 of the South Carolina Code of Regulations. Chester’s network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2) and Section 103-646 of the South Carolina Code of Regulations. Chester can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow Chester to manage traffic spikes throughout its network, as emergency situations require.

Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. Chester has battery backup at all office locations and in its electronic equipment sites. Length of run time is determined by the equipment serving the area and the number of customers working out of the equipment. The company’s standby generators and battery back-up support both voice and broadband network equipment should an emergency situation occur.

¹ Section 54.202(a)(2) requires ETCs that are designated by the Commission to “demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.”

OTHER VOICE FEATURES

VOICE MAIL

The most reliable, user friendly and cost effective call answering system available today for your home or your business.

TruVista's Voice Mail service answers your incoming calls and records any messages, even if you are on the telephone! There are no machines to buy or repair, no tapes that wear out, and no scratchy voice recordings. You can even set up multiple mailboxes, all password protected. Your messages are secure and easily accessible from any touch-tone phone — anytime, anywhere.

INSIDE WIRE MAINTENANCE

Affordable protection for your telephone service for when problems arise that could be costly — especially since most repairs pertaining to telephone service are unexpected.

Whether you have a new home with new technology or an older home with older wiring, TruVista's affordable monthly telephone line maintenance plan will protect you from unexpected repair bills. A monthly maintenance plan for your cable wiring is also available from TruVista Communications. (Inside Wire Maintenance only applies to existing wires and jacks that have been properly installed.)

Application for Lifeline

- Lifeline is a federal benefit and willfully making false statements to obtain the benefit can result in fines, imprisonment, de-enrollment or being barred from the program
- Only one Lifeline service is available per household
- A household is defined, for purposes of the Lifeline program, as any individual or group of individuals who live together at the same address and share income and expenses
- A household is not permitted to receive Lifeline benefits from multiple providers
- Violation of the one-per-household limitation constitutes a violation of the Federal Communications Commission's (or "FCC") rules and will result in the subscriber's de-enrollment from the program
- Lifeline is a non-transferable benefit and the subscriber may not transfer his or her benefit to any other person.

How to apply: four steps

1. Choose whether you will apply because you participate in a qualifying program or because your total household income falls within the guidelines.
2. Fill out the attached form. You must indicate your service address as well as your billing address (if not the same as your service address), as well as the last four digits of your SSN, your date of birth.
3. You must provide photocopies of either the program or income documents. These documents will be examined by TruVista to determine if they provide sufficient proof of eligibility. The documents will not be returned to you and will be destroyed once that examination is completed.
4. You must sign the bottom of the application indicating that you are complying with the Lifeline benefit rules.

Qualifying Methods

You may qualify for Lifeline either because you participate in one of the following programs or because your income is within the following guidelines. **NOTE: You may receive Social Security and Medicare benefits, but to qualify for Lifeline, you must receive benefits from one of the following programs or your income must fall within the guidelines.**

You **MUST** provide photocopies of any qualifying documentation. **NOTE: PROVIDE PHOTOCOPIES ONLY; WE WILL NOT RETURN ANY DOCUMENTATION.**

3. If I move to a new address, I will provide that new address to TruVista within 30 days.
4. My household will receive only one Lifeline service and, to the best of my knowledge, my household is not already receiving a Lifeline service.
5. The information contained in this certification form is true and correct to the best of my knowledge.
6. **I acknowledge that providing false or fraudulent information to receive Lifeline benefits is punishable by law.**
7. I acknowledge that I may be required to re-certify my continued eligibility for Lifeline at any time, and my failure to re-certify my continued eligibility will result in de-enrollment and the termination of my Lifeline benefits.
8. I hereby authorize TruVista to release any of my information contained in this Lifeline Application required for the administration of the Lifeline program to the FCC or its designee, including the Universal Service Administrative Company, and to any state and federal agency, as required by law.
